Product Specification Sheet

Targus 17” Groove Backpack

Part #: CVR617

Product Description:

The Targus 17" Groove Backpack contains a padded compartment designed to protect laptops with up to 17” screens. The backpack is also equipped with a front pocket which includes pen loops and a media pocket with line-out headphone port to easily listen to music on the go. In addition to the laptop compartment, the Groove backpack also features a large section to carry books or binders. There are also multiple accessory compartments, dual water bottle holders and a convenient side zippered pocket for extra storage. Whether going on trips, attending school or transporting your laptop to work, this casual backpack is functional for the everyday traveler.
